

AIMS & OBJECTIVES OF THE LLANFYLLIN & DISTRICT MEDICAL PRACTICE PATIENT PARTICIPATION GROUP.

1. To offer patient perspective on services provided.
2. To provide practical support and to help and encourage patients to take more responsibility for their own health and to set up self-help groups for patients with particular needs as required.
3. To contribute to the continuous improvement of services.
4. To foster improved communication between the practice and its patients and to break down any barriers.
5. To assist in implementing any changes.
6. To encourage the development of voluntary community care, especially for the housebound and elderly.
7. Where appropriate to act as a community pressure group, to bring particular local needs to the attention of Health and/or Local Authorities.
8. To help patients to know what services are available.
9. To undertake fund-raising activities to enable the provision of extra facilities for the practice and patients.
